### INTERNATIONAL CONGRESS ON VETERINARY AND ANIMAL SCIENCES

ICVAS 7-11 NOVEMBER, 2016 BELGRADE

URL: <http://www.icvas.gen.tr>

Dear Colleagues,

International Congress on Veterinary and Animal Sciences ([www.icvas.gen.tr](http://www.icvas.gen.tr)) aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results about all aspects of Animal Science and Veterinary Medicine.

Our congress will be cover of all the process before and after rearing related with those animals' production and veterinary medicine which deals with the prevention, diagnosis and treatment of disease, disorder and injury in non-human animals and all animal species, both domesticated and wild. Also covering animal husbandry including feeding, breeding, housing and health care of livestock for getting maximum benefits, livestock refers to domesticated animals which are reared mostly for economic aims, such as cattle, buffalo, sheep, goat, camel, pig, horse, etc. and also includes poultry farming and fisheries. On the other hand food sciences and technology also one of the important subject is in our congress.

It will be also big opportunity as the premier interdisciplinary forum for academicians, researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns, practical challenges encountered and the solutions in the field of Veterinary and Animal Science.

It will be great honor to us to invite you to Belgrade for the International Congress on Veterinary and Animal Sciences from the 7th to 11th November 2016.

Best regards,
